Rule 6.021 for a four-day tournament

6.021 - For 4 (four) day events only. The Event off limits time begins at 6:00 p.m. the Wednesday prior to the events. Participants must be off the water on or before 6:00 p.m. on the day prior to the Event and may not begin fishing until the official Event start time on the following day, which will be announced via text message the morning of the Event. The Event lake is off limits to fishing after 3:00 p.m. on the Thursday, Friday and Saturday of the Event. ALL participants must follow the off-limits rules for the previous day(s), even if you're not fishing all four days of the event. Participants may return to their respective launch site by boat but are not allowed to fish or use electronics and/or other devices (including lights) or attempt to locate or mark, for the purposes of finding fish, after the off limits time.
